WHOLESALE PRICE LIST
AUGUST AND SEPTEMBER 1942

****

SALES CONDITIONS: Prices include packing but not transportation costs. Quantities quoted are minimum at these prices. This list is complete as to the stock available at present and supersedes and cancels all previous lists. Cash should accompany order unless goods are shipped C.O.D. or unless credit has already been established. 2% discount will be allowed for cash with order. All material is offered subject to prior sale of stock on hand.

ASSORTMENTS: Many buyers, expecially those who are not familiar with our line of goods, prefer to have us make up an assortment with a view to their particular type of trade. This leeway of choice enables us to give maximum satisfaction by furnishing plants which are looking best at the time the order is made up. All assortments consist of 100 plants. The unit cost of plants in these assortments is calculated from the hundred rate. In this way a dealer is able to obtain a variety of plants in small lots, yet, still get advantage of the quantity price.
